

FOOD AND BEVERAGE

GROSCHOPPKNOWS

Our compact and quiet gearmotors are great for the food and beverage industries. We can design for hot or cold environments, ensuring that whether your motor is in an ice machine or an oven, it will withstand the temperature. Also, our knowledge of intermittent applications allows us to fit the smallest motor package into your product.

FRACTIONAL HORSEPOWER
motors | gearmotors | controls

Conveyors
Food processing
Automated rotisseries
Measurement products
Weighing scales
Mixers
Ovens
Fryers
Malt mixing machines

Electric carving knives
Food packaging machinery
Ice cream machinery
Meat saws
